

CONGRATULATIONS!

STEPS

YOU ARE AN ENGINEER!

1. Did you enjoy thinking like an engineer and taking on an engineering challenge?

Yes No

2. What do you think was the best part about being an engineer?

3. If you were an engineer, what type of engineer would you be? Why?

4. Give an example of one thing you learnt while taking part in the competition.

5. If you were a brilliant engineer with super engineering powers, what would you design? Why?
